QUBICAAMF BALL RETURNS

RELIABLY RETURN BALLS AND YOUR INVESTMENT.

Customers appreciate QubicaAMF ball returns for the way they quickly and reliably return balls, for their clean contemporary styling, and for their fun glow rails and hoods.

You'll like QubicaAMF ball returns for those reasons as well - plus their dependable operation, their powerful and industry-leading lift motors, and their ease-of-maintenance.

From the progressive Options Ball Return to the industry-standard Profile Ball Return you can't go wrong choosing QubicaAMF!

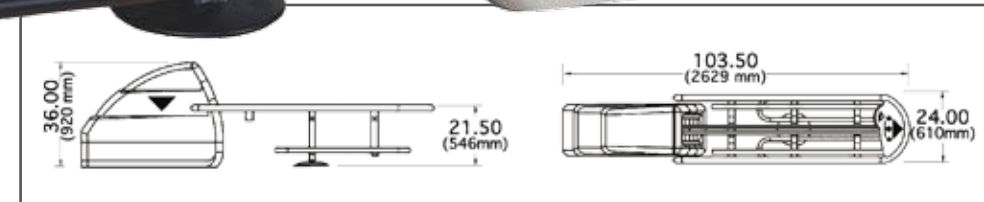

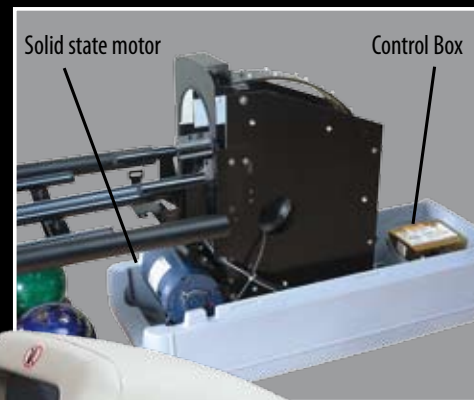

OPTIONS BALL RETURN

Function Meets Style - Ergonomically designed for today's bowling environment.

Designed for the modern bowling environment, the Options ball return is the industry's easiest and most comfortable ball return for your customers to use.

- Create less back strain for your customers - ergonomically optimized ball rack height is 5 inches taller than industry-standard ball return racks. Perfect for today's open play environment where you have bowlers of all ages.
- Contemporary design and glow-in-the-dark hood and rails compliment all QubicaAMF furniture for a coordinated center look.
- Unique Smartpath™ distribution guarantees alternate left/right ball placement for bowler convenience.
- The sleek ball rack provides generous storage capacity for up to 11 balls.
- An optional lower ball storage rack provides capacity for 10 more balls.
- Heavy duty solid state power-lift motor can lift 5 balls at once.
- Hood is easy to remove, providing quick access to the power-lift for maintenance.
- Only ball return in the industry with the motor and control box above the lane level for easy access and maintenance.
