DURABOWL BUMPERS

THE BUMPER THAT STANDS UP TO KIDS.

Customers appreciate QubicaAMF DuraBowl bumpers for the reliable way they perform. You'll like DuraBowl bumpers for their durability, their reliable operation, their upgradeability, and their manual and automatic option.

DuraBowl bumpers are exactly what you and your customers have come to expect from QubicaAMF: top quality combined with unsurpassed reliability.

With their amazingly strong resin rails and rugged construction, DuraBowl bumpers can more than take the punishment kids dish out. That's why DuraBowl is the first name in bumpers - and the surest way for your center to make the most of your bumper-bowling market.

With DuraBowl, you can count on year after year of high-profit revenues from birthday parties, families, day-care specials, and other events. Durabowl bumpers deliver all the features you must have in a bumper.

- Strong, resilient high-tech resin rails
- Heavy gauge steel base and pivot arms
- Won't interfere with lane maintenance equipment
- Manual operation standard; automatic upgrade option available
- Xtreme bumper light upgrade available; works with bumpers up or down
- Bumper rails and gutters available in Brown, Blue, or Gray color options
- Available for tenpin and small ball
